

APPLYING GLAZE N GO LED

1. After completing the enhancement product application, define the shape of the nail using an **Endurance 180/180 Grit File**. No need to buff the nail to a high shine.
 2. Remove excess dust with your **Plush Brush**. Using a **Nail Wipe** saturated with **Cleanse**, remove any dust that may be hiding in the side walls.
 3. Apply **Glaze 'n Go LED** in polish style strokes to the entire nail, sealing all edges and leaving a tiny free margin around cuticle and side walls.
 4. Cure in the **Dual Cure Lamp** on LED for 30 seconds or in UV for 2 minutes
 5. **Glaze 'n Go LED** cures to a high gloss, tack-free finish. Condition the nail and surrounding skin with **Nurture Oil**.
- In just 60 seconds, you will have beautiful, glossy nails.
