Features

Smooth One Piece Design

4 Burner Cooktop Including Wok burner

High Performance 14.5Mj Wok Burner

Cast iron Trivets

Flame Failure

Automatic Ignition

Available in Natural Gas or U-LPG

Benefits

The smooth one piece hob design makes cleaning the cooktop so much easier, saving time and effort. Simply wipe over with a damp cloth.

Conveniently placed wok burner on the front left to cater for various cooking needs.

High quality Sabaf burners provide even heat distribution for great cooking results, whilst the 14.5Mj wok burner offers powerful cooking for dishes such as stir-frying.

Complimenting the smooth, sleek construction of the unit, whilst providing a non-slip surface for pots and pans.

Extra safety in the kitchen offering peace of mind, the gas will shut off when there is no continuous flame.

Ease of operation, no need for manual ignition, simply twist the knob and the gas connection ignites.

The cooktop is supplied adjusted for natural gas installation, however can be converted for U-LPG application (conversion kit supplied).
